

SIGNFIRM®

INTERIOR FILM SAMPLE BOOK 2022/23

Unique spectrums completed with color and texture. The space that draws attention without adding eye-catching decorations, an interior that appears careless but never misses even the smallest details. With Signfirm complete with its everchanging combinations of trendy colors and patterns, express your own unique sensibility.

Natural Surface

COR70

A dramatic space highlighting the attractiveness of natural materials through a unique texture. Bodaq NS series is the premium line of products that reinterpreted various textures and colors from nature, such as stone, fabric and metal, from a modern perspective. The natural but occasionally classic atmosphere will dramatically change the space you occupy.

Stone & Marble

PM014

Identical structure, identical in size. But once the door opens, a completely different space is revealed.

The difference is all in the interior! From a place that everyone knows to a place everyone wants to live in.

Upgrade your interior with Bodaq Stone & Marble one that will make you feel like you made the right choice even with the smallest element.

Wood

SPW70

Variety of changes made with wood full of sensibility. Wood which never goes out of style is an element that matches every space.

It is the most fundamental yet the most wide-ranged item.

We invite you to the world of wood which always presents a new interpretation of the familiar grain, color and texture. A majestic tree now decorates your space.
